2. Projection and Management Strategy

Progress of E-Plan 2019 Measures in Pumps Business

Position of Pumps Business in E-Plan 2019

The key message of E-Plan 2019

“Unlimited challenge toward growth”

5 Basic Policies and Structure

Basic Policy 1

Solidify the profit foundation of the Group so that it does not rely on market fluctuations, and aim for further growth

Basic Policy 2

Strengthen product competitiveness and improve profitability by introducing innovative production processes and business processes with the fully-automated plant at the core

Basic Policy 3

Expand the Service & Support (S&S) business to improve and stabilize profitability

Basic Policy 4

Utilize M&As as effective means, in businesses which are expected to generate stable growth and profits, for the purpose of increasing the Group's share in the overseas markets and enhancing product lineup; and in businesses which are highly susceptible to market fluctuations, for the purpose of expanding the domain of the S&S business

Basic Policy 5

In order to shore up the global expansion of each business, reinforce corporate headquarters' strategic functions while at the same time make Groupwide efforts to consolidate ongoing operations and enhance their efficiency

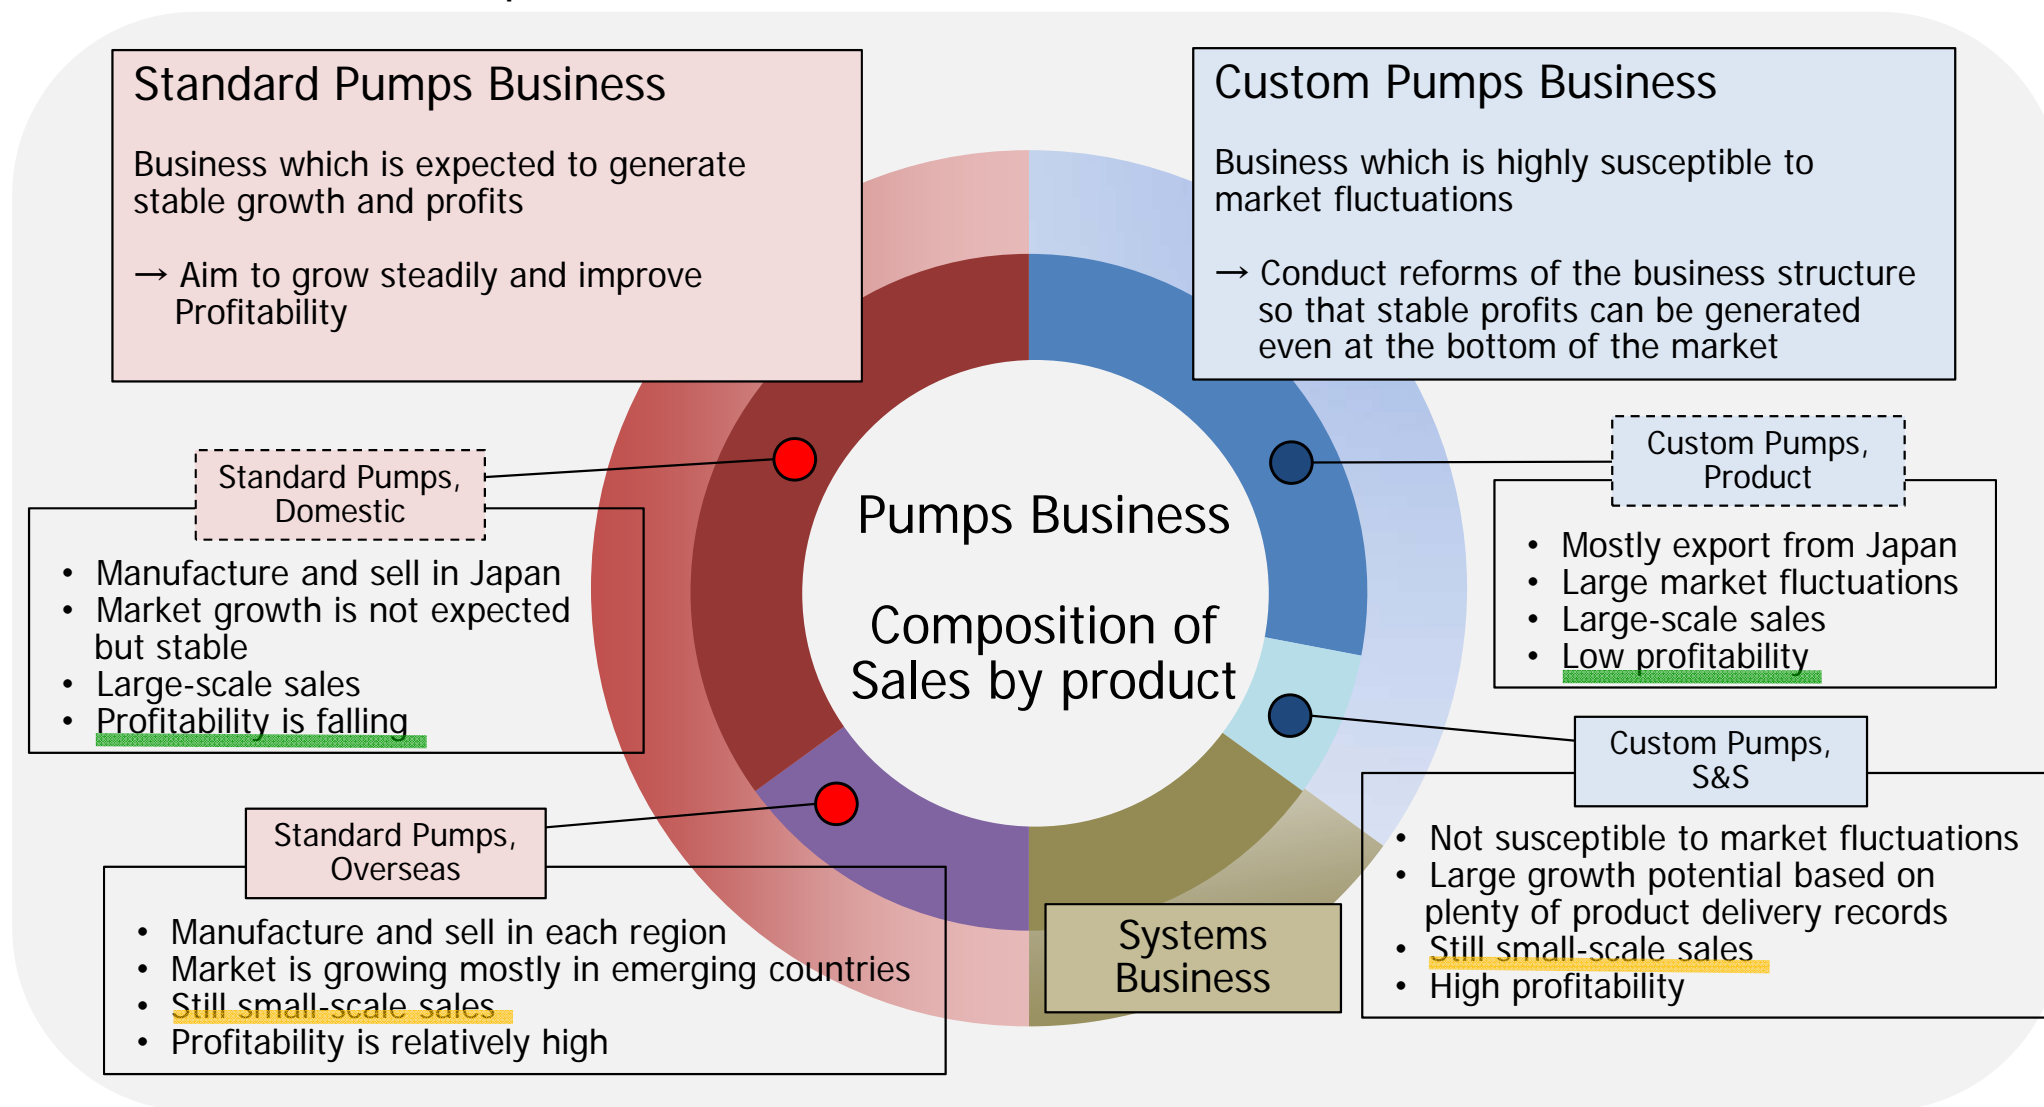

During E-Plan 2019, we will focus on profit growth and improve profitability in all our business

➤ **The most important challenge is**
to improve profitability of the pumps business

2. Projection and Management Strategy

Progress of E-Plan 2019 Measures in Pumps Business

Current Situation of Pumps Business

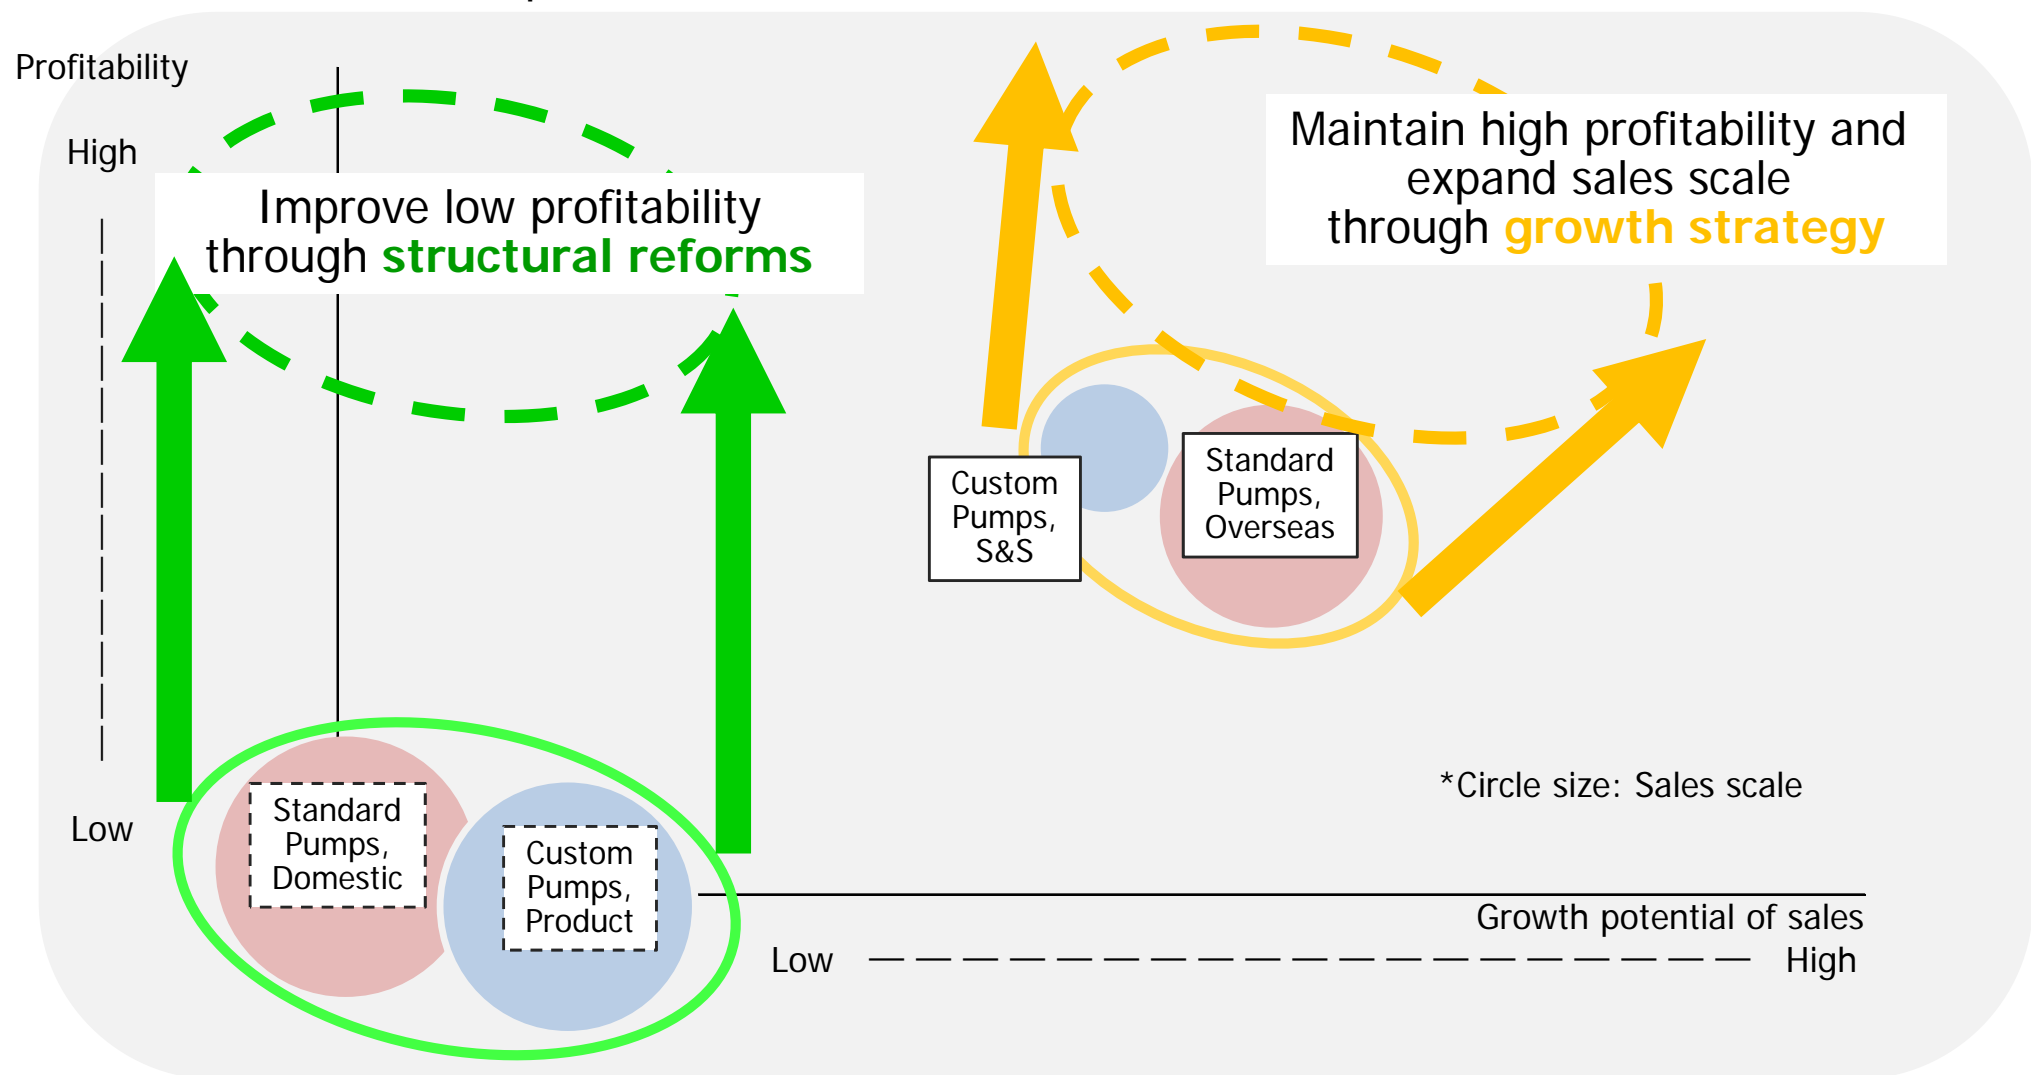

➤ **We have tasks of profitability and sales scale in both standard pumps and custom pumps business**

2. Projection and Management Strategy

Progress of E-Plan 2019 Measures in Pumps Business

Current Situation of Pumps Business and Vision of What We Want to Become

- **Improve profitability through “structural reforms” and expand sales scale through “growth strategy”**

2. Projection and Management Strategy

Progress of E-Plan 2019 Measures in Pumps Business

Progress of Structural Reforms

Standard Pumps, Domestic

1. Eliminate and integrate extant models
 - After the elimination, the volume of shipments increases on a year-on-year basis
2. Fundamentally revise the conventional production system
 - Planning details of the automated production line
3. Enhance operational efficiency
 - [Plant] Enhance coordination of each operation system
 - [Sales] · Consolidate estimation work and inquiry response into a specialized department
· Utilize cloud applications and webs

Custom Pumps, Product

1. Enhance a marketing organization of each Industry
2. Promote "Digitalization"
 - With a view to deploy to overseas bases, enhance core systems of production and sales
3. Standardize operation
 - Develop patterns of product specification in accordance with market needs

Standard Pumps, Domestic

Custom Pumps, Product

Optimized Human Resources in Domestic Pumps Business

- Optimized operations, readjusted non-regular employment, and relocated regular employees
- Decreased by around 20% in staff in the domestic pumps business

- **Promotion of efficiency, which is a key part of the structural reforms, is progressing well**

2. Projection and Management Strategy

Progress of E-Plan 2019 Measures in Pumps Business

Progress of **Growth Strategy**

Standard Pumps, Overseas

1. Continuously launch new products
 - Overseas sales ratio of standard pumps increases on a year-on-year basis
2. Utilize M&A
 - Aim to increase our share in the overseas markets and enhance product lineup
 - Acquired a company in South Africa in August 2017

Custom Pumps, S&S

Enhance overseas S&S business

- Dispatch more sales and technical staff to overseas bases, enhance manufacturing technology and train local staff
- Dispatch around 50 personnel in the whole pumps business in this fiscal year

➤ **A key part of the growth strategy is enhancement of overseas bases**

Aim to enhance the business value through the structural reforms in the short to medium term and through the growth strategy in the medium to long term
